NOVEMBER 2011

SAVE THE DATES FOR DRESS REHEARSAL & RECITAL!

THANKSGIVING
BREAK

No classes will be held from November 23rd through 27th.

FUN IN MAY!

You may see recital is not as early as last year. We remain excited to perform in late May and early June while celebrating throughout the last month of dance.

In May, we celebrate a month of learning advanced skills and celebrating each week before summer dance classes! Examples include Crazy Hair Week, Pajama Week, and Show Your Studio Spirit Week!

As promised, the dates, times, and venues for dress rehearsals and recitals are here! We are happy that virtually all of our students will be participating in this fun, memorable event.

Dress Rehearsal - Wednesday, May 30th

Performances - Thursday & Friday, May 31st and June 1st (June 2nd if needed)

There are multiple dress rehearsals and recitals so please refer to the information BELOW that indicates which classes attend each rehearsal and performance.

Please remember we attempt to group families with multiple students into the same rehearsal and recital performance. We also attempt to work

around important events in the community such as school concerts and high school graduations.

For this year, rehearsals and recitals will be held at:

Central Middle School

We are excited about the facility because it offers more seats than previous venues, multiple dressing areas, sizable stage with lighting and sound, and nearby location.

As a reminder, there will be more to come this late winter including Congratulating Your Dancer, Program & Ticket Order Forms, Practice CD's & DVD's, Video & DVD Order Requests, and Recital T-Shirts. Happy Thanksgiving!

TENTATIVE DRESS REHEARSAL & RECITAL GROUPS

For this year, we are hosting two spring recitals. Please note the dress rehearsal and performance in which your dancer participates. THESE GROUPS ARE TENTATIVE. Be on the lookout in a future newsletter for any changes! We may be splitting two recital groups into THREE RECITAL PERFORMANCES!

In particular, note that a few small classes may combine into one larger class for rehearsal and recital. This allows recitals to be manageable in length, instead of a few hours with an intermission.

Also note that some groups participate in both recitals so that a large age range and variety of dance styles are featured. Those groups in both recitals should attend the second rehearsal at 7:00 p.m.

For those students who perform in both recitals (and for those families who have students in more than one recital), one complimentary ticket will be given for the second performance.
