## DRESS REHEARSAL &amp; RECITAL DATES TO COME!

As many know, annual spring recitals are held toward the end of each dance year. It is a fun, memorable event for students to feature their accomplishments. And while spring is many months away, the days and times for spring dress rehearsal and recital performance will come out in next month's newsletter.

There will be multiple dress rehearsals and recitals so please make careful note as to which classes attend each rehearsal and performance. In particular, we attempt to group families with multiple students into the same rehearsal and recital performance. We also attempt to work around important events in the community such as high school graduations.

At this time, Lake Area Dance Center has selected a space to host rehearsals and per-

formances at the end of May 2012. We look for a facility that offers a large front entrance and lobby, multiple restrooms and dressing areas, sizable stage with lighting and sound, a nearby location, and comfortable, ample seating. Dates will be final in the coming month.

There will be more to come this spring about recital performances including :

- Program & Ticket Order Forms
- Practice CD's & DVD's
- Performance Video & DVD Orders and
- Recital T-Shirts

Until then! Happy Halloween!
